WHY RĪGA?

- **Baltic Metropolis:** Riga is the largest city in the Baltic States and Latvia's vibrant capital.
- **Architectural Gem:** A city of contrasts, Riga blends Medieval Old Town, Art Nouveau masterpieces, historic wooden houses, and modern landmarks.
- **Coastal Location:** Situated at the Gulf of Riga, where the Daugava River meets the Baltic Sea, offering a dynamic urban and natural environment.
- **Lively & International:** Home to 600,000+ residents, making up one-third of Latvia's population, with a diverse cultural and student-friendly atmosphere.
