# Group study rooms

There are three soundproof rooms dedicated for working in smaller groups, doing projects or homework etc.

Plenty of spaces for students to hang out and study

A photograph of a classroom scene. A female teacher with glasses and a grey sweater is leaning over a white table, assisting a group of students. One male student in a grey sweater is focused on a small green electronic device on the table. Another male student in a blue hoodie is looking on. In the background, other students are seated at similar tables, and a large window with patterned curtains is visible. The overall atmosphere is one of collaborative learning.
