# Welcome to TU Chemnitz!

Dear students,

Welcome to Chemnitz University of Technology (CUT)!

A study stay abroad is a great experience in many ways that you should not miss. Each semester, CUT welcomes many exchange students from all over the world.

CUT offers very good conditions for study and research as our university is efficient, oriented on competition, open-minded for new structures, and has a very high international reputation. Spending a semester with us at CUT in Germany is an adventure that will make a difference to your life!

We look forward to welcoming you to Chemnitz soon.
