Economics

Welcome to New Campus Borlänge, Autumn 2024!

We are so happy to introduce our brand-new campus in Borlänge in 2024!

Modern, flexible, creative, and located in the very centre of town. Sustainability and transparency have been important watchwords in the design of the new campus building. The study areas in the new Campus Borlänge will be appealing, and the new campus will be flexible and adaptable in a completely new way to meet the needs of both today and the future.

## Information for Incoming Students

<https://www.du.se/incomingexchange>

## Nomination

Send the nomination to [support@du.se](mailto:support@du.se)

The nomination letter is also uploaded by the student to the course application account.

## Application/ Apply for Courses

Apply before 15th April and 15th October respectively, but students can apply for courses continuously until the start of the upcoming semester. We will not close the application page

<http://www.du.se/applytocourses>

Nominated students are allowed to apply for all courses, irrespective of subject area. Check the eligibility criteria for each course.

## Language Requirements

We do not require language proficiency test results; the sending institution assesses the applicant's language level. Minimum English language proficiency: CEFR B2-level.

## Practical Information
