

INTERNATIONAL
ACADEMY

Foundation Program
for studying in Europe

Key Language Skills:

Our English courses cover all essential language skills such as: listening, speaking, reading, writing, pronunciation, and grammar. You will learn to speak with clarity, listen carefully, and gain the writing competencies necessary to complete your academic assignments with ease and accuracy.

Key University Success Skills:

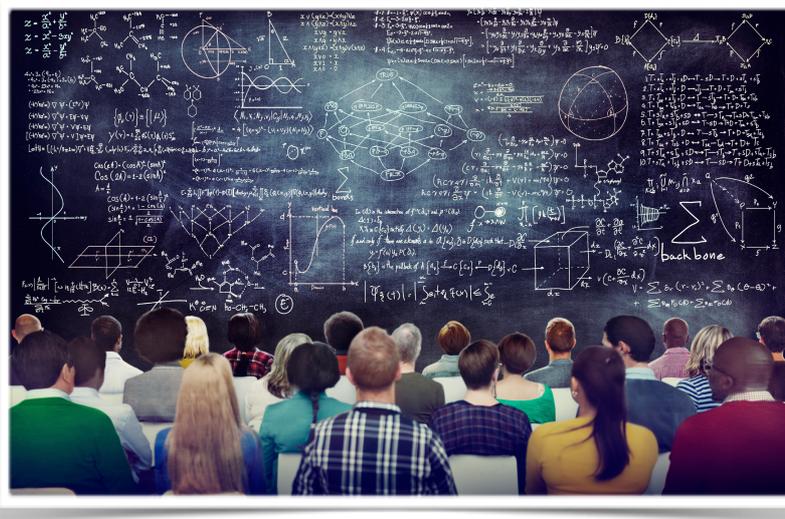

To succeed in European university, you will need more than just basic English language skills. Our Foundation program focuses on teaching you critical thinking, how to deliver presentations, public speaking, note-taking, academic research, and more.

Skills Enhancement Classes:

Exact courses offers Skills Enhancement Classes dedicated to subjects such as English Idioms, British and American Film, Current Events, and European Culture – enabling you to not only learn the English language, but to become part of the conversation

Applied Learning:

The International Academy allows you to meet with native English-speakers, practice conversing while using real-world English, and listen to guest lecturers

The Foundation English Program is a full-time English program with an academic skills focus for students who wish to undertake further studies in an English speaking high school. Students who are interested in improving their English ability and are already attending high school in their home country will also benefit from this course.

Curriculum

The Foundation English Program curriculum is designed to help you easily transition to university study – you will learn the key fundamentals of the English language in conjunction with vital study and classroom skills that will lead to success.
